

Deep Blue® Rub

with CPTG® Deep Blue® essential oil blend

Product Description

dōTERRA's Deep Blue Rub is a rich, topical cream infused with Deep Blue® Soothing Blend of Certified Pure Therapeutic Grade essential oils that provides targeted comfort to tired and sore joints and muscles. Formulated with a proprietary blend of natural plant extracts and other powerful ingredients, Deep Blue Rub provides a comforting sensation of cooling and warmth to problem areas. With close to 5 ml of dōTERRA's top-selling Deep Blue essential oil blend of wintergreen, camphor, peppermint, blue tansy, German chamomile, helichrysum, and osmanthus, Deep Blue Rub is an essential addition to your bathroom cabinet, gym bag, or first aid kit. Deep Blue Rub is blended in a base of moisturizing emollients that leave your skin feeling soft, not greasy and is the choice of massage therapists and sports practitioners for applying dōTERRA's Deep Blue essential oil blend.

Who Should Use this Product?

Deep Blue Rub is beneficial for adults seeking temporary comfort for tired and sore muscles and joints associated with strenuous physical activity or discomfort associated with advanced aging. Not recommended for young children with sensitive skin.

Directions for Use

Massage a pea-size amount of Deep Blue Rub into affected muscles, joints, and other surface tissues of the body. Repeat if necessary. Avoid contact with eyes. Use with caution on sensitive skin areas. For a more intensive treatment, apply Deep Blue essential oil blend on the skin prior to lotion application.

Cautions

For external use only. Avoid contact with eyes. Do not use on wounds or damaged skin. Do not bandage tightly after application or use with a heating pad. If a raised area of redness appears after application, discontinue use. Keep out of reach of children to avoid accidental ingestion. If swallowed, get medical help or contact a Poison Control Center immediately.
