

GX Assist[®]

GI Cleansing Formula

CPTG[®] Made with enteric coated softgels

Product Description

GX Assist is a combination of CPTG Certified Pure Therapeutic Grade[®] essential oils and caprylic acid to help support a healthy digestive tract by creating an unfriendly environment for potentially harmful pathogens that can disrupt digestive immunities and cause digestive upset. GX Assist is formulated to be used for 10 days as a preparatory cleansing step before using PB Assist+[®] Probiotic Defense Formula.

Concept

Having a healthy digestive system affects all facets of the body. When the condition of the digestive system is not in proper health, there can be a tremendous negative effect on every other function of the body. The combination of very powerful essential oils, and caprylic acid, will help cleanse the digestive system into a clean environment which help all other functions of the body to perform at their maximum potential.

CPTG Essential Oils

GX Assist contains a proprietary blend of dōTERRA CPTG Certified Pure Therapeutic Grade essential oils from oregano, melaleuca, lemon, lemongrass, peppermint, and thyme. Each of these oils has been shown to improve microbial balance. This proprietary blend helps to purify and cleanse the digestive system.

Caprylic Acid

Is a naturally derived fatty acid from coconut oil and has antimicrobial activity. Caprylic acid has been used for over 40 years for improved digestive health and microbial balance of the digestive tract.
