

# Immortelle Anti-Aging Blend

Restoring the essence of youth

CPTG Certified Pure Therapeutic Grade®  
Essential Oils

Frankincense, Sandalwood, Lavender, Myrrh,  
Helichrysum and Rose

## Product Description

A proprietary blend of powerfully renewing, rare essential oils used throughout history for their beautifying benefits, Immortelle Anti-Aging Blend is formulated to protect and nourish skin while helping to reduce inflammation—a major contributor to the aging process. Supporting skin health at the cellular level, these essential oils help sustain smoother, more radiant, and youthful skin.

## Concept

Growing older doesn't mean growing less attractive. There are many ways to care for your health and skin, remaining vital and beautiful for a lifetime. By taking action now, skin can be nourished and protected through healthy choices and daily care. Keeping your skin healthy and hydrated is not only good for your looks, but also essential to maintaining good health. Drinking lots of water, taking a vitamin and mineral supplement, and using efficacious skin care products that nourish the skin can help keep skin soft, healthy and radiant.

## *dōTERRA Immortelle Anti-Aging Blend*

dōTERRA Immortelle Anti-Aging Blend is designed to help protect and nourish skin by supporting skin health. Especially important is the reduction of inflammation which contributes to the aging process of our body and skin. dōTERRA's CPTG essential oils have been selected and blended into this proprietary formula which provides remarkable benefits to help maintain skin's wellbeing and beauty.

## Primary Benefits

- Helps restore skin damaged from sun exposure
- Promotes tissue matrix mending and renewal

- Supports inflammation reduction which is a major contributor to the aging process of skin
- Helps skin retain and balance its natural moisture levels
- Easily absorbs into skin leaving skin feeling and looking soft and smooth, not oily
- Soothing and calming to skin

### What Makes This Product Unique?

- High quality—CPTG Certified Pure Therapeutic Grade® essential oils; Frankincense, Sandalwood, Lavender, Myrrh, Helichrysum and Rose in a proprietary blend
- Frankincense has been found to prevent expression and activity of several proteins involved in inflammatory response
- Helichrysum contains up to 10% diketones, which are known for their renewing effects. It also contains up to 30% sesquiterpene hydrocarbons, known as calming agents, as well as up to 50% esters
- Rose is known for its excellent hydrating properties as well as its support of skin's elasticity
- Lavender promotes tissue renewal. Famous example—Dr. Gattefosse, a chemist working in cosmetics, was burned during a chemical explosion in his lab in 1910. He treated his burns with pure essential lavender oil and realized a quick recovery without scars.
- Myrrh also contributes to skin's balanced hydration and supports general tissue repair
