

dōTERRA Women

Solace™

Monthly Blend for Women

CPTG® Made with Certified Pure
Therapeutic Grade® Essential Oils

Product Description

dōTERRA Women Solace™ monthly essential oil blend for women is a proprietary blend of Certified Pure Therapeutic Grade® essential oils carefully formulated to balance hormones and manage symptoms of PMS and the transitional phases of menopause.* For topical and aromatic use, Solace combines essential oils that have a long history of traditional use by women throughout many cultures for addressing health issues associated with aging, and which also have modern scientific substantiation as complimentary therapies for women. Solace's carefully balanced formula includes clary sage, lavender, bergamot, Roman chamomile, cedarwood, ylang ylang, geranium, fennel, carrot seed, palmarosa, and vitex, and is conveniently packaged in a 10 ml roll on.

Primary Benefits

- Provides temporary ease from cramps, nausea, hot flashes, and the emotional swings sometimes associated with regular hormone cycles in women*
- Supports healthy hormone levels in women*
